Our School

Mr. C. C. Stanard, Senior High Principal

In Appreciation

Our Principal, Mr. C. C. Stanard, came into this area as an educator in 1929. His first position was that of Superintendent of the Cedar Heights School, an Independent School District then. In 1935 the Cedar Heights school became a part of the Cedar Falls School system.

Mr. Stanard then became the principal of the Cedar Heights building and also taught social studies.

In September of 1937 Mr. Stanard became Principal of the Cedar Falls High School, this position he has held for the past 21 years. He has seen the high school student enrollment grow from 250 students to the present 575 students.

In appreciation of his length of service to our school, community, his friendly counsel, and his help to us in so many ways we dedicate this 1958 yearbook.

Gen, we sure have had some
of long talks about a lot of
good things. I remember all the jokes. Your
what a panic! The one about "polite pills".
A swell time in based really have.
I had more classes with you.
Good luck in every thing you
do. Always keep that smile. HA!
See You Have Done

The crossroads are the center and beginning of many roads.
So it is with our school, which might be termed the cross-
road of our lives. From the school branch forth the different
roads, our activities—sports, music, dramatics, and clubs.
Along these roads we are guided and advised by our par-
ents and teachers. It is the purpose of this school yearbook
to record all the activities and events that took place on
these roads in the year 1957-58.

This years little Tiger football team came through the season in surprising fashion. With what was not rated as a team with great potential, it shook off an early defeat and came back to break even for the season. The overall record was two wins, two loses, and one tie. The flu siege also took its toll in sophomore football as a number of players were forced to miss games. A game with Charles City was cancelled because of the flu.

It is evident that these boys will help bolster the varsity squad when the football season rolls around again next fall.

Wrestling is a growing sport at Cedar Falls. A total of 72 boys reported for varsity and sophomore wrestling. This is the first wrestling squad which has had to be cut in numbers. Although the teams' scores show an equal "won-loss" record it must be remembered that some of their opponents were the best teams in the state. The varsity reserves finished with a 5 win and 5 loss record. This varsity team finished the highest for any Cedar Falls wrestling team in the state tournament. For the second time in three years Cedar Falls had a state champion. This year it was Lloyd Grandon who won this honor. Congratulations to him and all the other wrestlers on the squad!

Homecoming, 1957, is one to be long remembered. All of the events leading to the usually gala affair were cancelled. Cause? The Asian flu. The football game was played; Tigers vs. Oelwein, resulting in a heartbreaking defeat, 21-20, for the Tigers.

Three weeks later the school again felt the excitement of Homecoming as the belated dance and crowning of the queen were held. In semi-formal array, the students danced to the music of the Jam-Vets.

Nancy Burke was crowned queen of the Cedar Falls High School Homecoming in a ceremony during the evening. Her escorts were Jean Hannan, Sonya Nielsen, Karol Hoy, and Karen McDonald.

Thus, another Homecoming completed.

Dino belts Tony a good one.

The plot of this year's annual three act play, "Dino," centered around an intensely hostile boy of seventeen who was released from a reform school after a period of four years. Alternating between unpredictable violence and extreme withdrawal, he was portrayed as a brooding face; never smiling, never laughing. One might conclude that he was engaged in a perpetual fight against the world.

With the aid of Mr. Sheridan, a case worker; Mr. Mandel, a parole officer; and Shirley Wallace, a shy, sensitive girl who recognized some of her own qualities in Dino, Dino was glimpsed by the audience in the last act as finally being able to respect not only himself but others as well through love and understanding.

"Let's dance!"

"Come on! Come on, Father, take another shot!"

One-Acts Presented

DAWN WILL COME was of exceptionally rich imagination, set in a kind of Platonic cave among primitive people. These people worshipped the light that poured through a crack, but were forbidden by the high priest to leave the darkness of the cave and enter the land of light--the land, indeed, of the gods. But after many centuries, two men finally left. They saw all the wonders of nature: grass, trees, birds, the sun, and moon. They came back to tell the others. But instead of being welcomed they were seized as heretics. There was an excellent parable at the end. The director of the play was Bob Assink.

JOINT OWNERS IN SPAIN was a hilarious comedy concerning the inmates of a home for aged ladies and their peculiar methods of solving problems, figures of speech, and past experiences. Even though the play had only four characters they made their point that the most unlikely is sometimes the most successful. The director of the play was Jan Nelson.

THE GREAT CHOICE was an emotionally powerful dramatization of an incident in the next war and was exceedingly timely. It pictured the eternal conflict between nationalism and the individual conscience. The director of the play was Donald Fox.

These students were just a few that dedicated their time and effort to the betterment of the plays presented this year. Pictured constructing a "rock" to be used in a contest play are Myra Croft, Lynne Pierce, Robert Assink, Linda Lindholm, Sharon Bigelow, Rich Congdon, and Lisa Pedersen.

Season of 1957-1958

THE MAN IN THE BOWLER HAT was of a terribly exciting little affair that happened in the hum-drum life of John and Mary, a tempest in a teapot, but while it lasted . . . well, it was high comedy, at least for the audience! This play was directed by Elsie Higby.

WHEN ALTERS BURN was of humor, irony and compassion blended in an unusual study of four generations, marked by finely drawn characterizations and skillful dialogue. A child was caught in the conflict between her mother and grandmother, and the crisis was precipitated by her revelation of a long-concealed truth. As the beloved great-grandmother died in a climax of deep emotional intensity, the whole meaning of her life was disclosed, contrasting strongly with that of the irresponsible grandmother. The lasting effects of both good and evil actions, devolving from one generation to the next, were vividly dramatized in this honest and moving short play. The director of this play was Peggy Pink.

SINTRAM OF SKAGERRAK was a romantic drama wherein a boy fancied himself in love with the sea, which in his distorted mind had become his love. He renounced earthly love for his dream love and flung himself from the highest cliff, to rest in the arms of his beloved. This play was directed by Susan Lieder.

THE SUMMONS OF SARIEL. Outside the gates of Eternity, the Soul of the Graduate met the Clay and the Spirit. The frightened girl longed to return to Earth, where doctors were working to save her body, injured in an auto accident on the eve of Commencement. The Clay reminded her of the joys of Earth. The Spirit bids her accept God's will, as announced by Sariel, God's Angel of Death. As the girl waits in doubt, others appear: the frightened Suicide, the Old Old Woman, the Young Mother, the Blind Child. To each of these Sariel appeared with a message, either to return to Earth or enter the shining gates. This play had unusual inspiring power. This play was directed by Terry Crane.

SHADOW OF A DREAM. Is circumstantial evidence strong enough to convict a person of a major crime? This was the searing question which was present in the mind of a prosecuting attorney as he tried to visualize the right thing to do when he handled a murder case. This play was directed by Jim Helt.

Lee Ross Mickey and Ron Olsen, Junior and Senior class presidents.

"Enchanted Evening" was the theme of the junior-senior prom and banquet which was held at the Waterloo Electric Park ballroom on Friday, May 2.

Following the banquet, juniors and seniors and their teachers listened to junior class president Lee Ross Mickey as he gave the welcome address. The response was given by Ronnie Olsen, senior class president.

The traditional program presented by the juniors followed, with Bud Justis acting as the master of ceremonies. The acts consisted of a Dixie-land band, "the Dixiecrats," and two vocal solos sung by Kay Riley and Corwin Guenther. Both of these soloists were accompanied on the piano by Carolyn Tietz.

"The Five Most Likely," a quintet, sang the song with a humorous twist, "Standing on The Corner."

Jo Wilcox presented an interpretive modern to the recording of "Caravan."

A humorous satire on table manners at a junior-senior banquet was done in pantomime by Judy Furrh, Mike Klein, Susan Mueller, and David Neilsen.
